SPECIALTY PRODUCTS • RELOCATIONS • WAREHOUSING

WELCOME TO THE WORLD OF TRANSIT

Our staff of experienced industry professionals really care about each and every shipment. From our domestic and international operations divisions, on-site freight supervisors and our consultative account managers we strive to take the stress out of shipping, even the most time sensitive freight.

ABOUT TRANSIT AIR CARGO, INC.

Transit Air Cargo, Inc. was established in 1989 with the firm commitment to provide high-quality services in all segments of nationwide and international trade show and specialty product shipping, customs brokerage and warehousing. Clients across the country know us as a company with a long-standing reputation for on-time performance and unparalleled service. Our strong working relationships with trade show managers, drayage companies, exhibit houses and convention centers all over the world make us second-to-none in providing superior results.

Since day one, value, integrity and satisfying customer needs has been the driving force behind every Transit Air Cargo employee. Our desire to be the best in the industry, combined with a continued investment in leading edge technology and accountability to our clients ensures that Transit Air Cargo will continue to be an industry leader you can depend on.

OUR SHIPPING CONSULTANTS PROVIDE PERSONALIZED SERVICE AND CAN HELP:

- Find creative ways to reduce your shipping budget
- Multiple show caravan and pre/post storage
- Same day pick up
- Avoid off-target fees
- Limit waiting time
- Avoid forced freight
