Exhibitors must maintain a 3 foot minimum in front of all fire extinguishing equipment, including fire extinguisher cabinets and hoses. A 3 foot maximum height in front of all fire extinguisher equipment must also be maintained.

Unless noted otherwise, aisles are 15'x15' and all booths are all 10'x10'.

Design: Exhibitor locations and floor plans layout are subject to Fire Marshall approval. Exhibitors are responsible for the layout and are to comply with Fire Marshall codes and regulations. Exhibitor setup and tear down is at their own risk and at their own expense. Every effort has been made to ensure the accuracy of all information contained on this floor plan. However, no warranties, either expressed or implied are made with respect to this floor plan. The location of building columns, utilities or other architectural components of the facility is a consideration in the construction or usage of an exhibit. It is the sole responsibility of the exhibitor to physically inspect the facility to verify all dimensions and locations.
