SUBMISSION INSTRUCTIONS
EXHIBITOR Magazine's 34th Annual
Exhibit Design Awards

Entry Requirements

1. **Entry Form and Fee.** Fill out the **online entry form** and remit payment via credit card.

2. **PowerPoint/Summary (for judging purposes).** Download the PowerPoint Template at http://www.exhibitoronline.com/awards/eda/EDA-TemplateandExamples.pptx This document provides detailed instructions and a template to help you create a PowerPoint presentation that will be consistent with other entries. It will house your low-res visuals as well as a written description of the project. (You must use the template as opposed to your own design.)

3. **High-Res Photos (Raw, TIFF, EPS, or JPEG format for publication).** Include overall and detail images of the completed project. While renderings will be accepted among the images, at least two and no more than 20 images of the completed project must be included. Provide the same images contained in the PowerPoint (see above), but as individual files in their original, high-res formats. Files must be 300 dpi or more and 8.5-by-11-inch or more.

4. **Floor Plan —** Include a high-res floor plan.

5. **Videos (optional) —** Include any videos related to the design using a format compatible with Windows Media Player. Provide actual video files, not URLs.

^^^

^^^

- By entering the Exhibit Design Awards, entrants grant permission to reproduce the materials and information entered in any magazine, book, promotional material, or online format produced by Exhibitor Media Group, and to display all materials and information at any EXHIBITOR*LIVE* or related event.
- Pending judges' scores, winners may not be selected in all categories.
- Failure to provide an interview or significant discrepancies between the entry and information provided after judging could result in forfeiture of the award.
