We make ideas happen

Keshot is not just a photo booth. Keshot is an experiential marketing platform.

We have ten years of experience in developing custom-designed photo booth technologies to help companies execute their experiential marketing events.

Our advanced social media sharing technology allows attendees to immediately share branded photos with friends and family as well as link to your business Facebook page.

Customized Postcard & Photo album

KeshotPaparazzi

InstaKeshot

When your guests take Instagram photos and use your event's unique hashtag, images are branded, printed out and shared on social media sites.

Starts at \$500

Keshot Photographers mingle with guests to take dynamic photos, which are uploaded to a kiosk or tablet for guests to print, share, and email on the spot.

Starts at \$700

Customized Skin

Custom kiosk wrap that highlights your event theme and branding.

Starts at \$390

Animated GIF

Our Animated GIF photo booth takes four consecutive photos of attendees in the photo booth and loops them to create the sensation of animation. Photos are immediately shared online and can be displayed via a plasma screen or a projector at your event. (Included in Core Package)

Email Postcard

Picture, Video or Animated GIF delivered via an email link to a branded landing page.

(Included in Core Package)

Professional Photo Printouts

Moments after taking a photo, guests receive a branded photo printout.

Starts at \$350

Features

Facebook Event Album

Convert your event attendees into Facebook fans when they retrieve branded pictures or videos from your gated Facebook fan page.

Only \$500 for the length of the event

Guests can upload branded photos and/or videos directly to their Facebook or Twitter profile.

Facebook and Twitter Direct

Only \$440 for the length of the event

Photo Collage

Real-time photo collage that displays everyone's pictures on a plasma screen or wall projector as they are captured at your event.

Starts at \$600

Virtual Costumes

Guests drag-and-drop virtual custom-designed props onto their photo booth pictures.

Starts at \$700

Face Me

Allow your guests to virtually become a character of your choosing by digitally replacing their face.

Starts at \$2,000

Green Screen

Guests immerse themselves in your brand experience by taking photos against a green screen background. The background turns into any image that you choose to best support your event.

Surveys, contests and sweepstakes

Obtain customer insights and demographics when you include an online survey as part of your guests' photo taking experience.

Starts at \$500

BarCode Scanner

Scan guests' event badges to automatically populate their information into the photo kiosk and store it in an online database for future use.

Starts at \$750

Email database & User Metrics

Brand ambassadors

Brand Ambassadors provide technical support and ensure your guests receive the optimal photo and video sharing experience.

(Included in Core Package)

Collect valuable customer data with an email database of guests and recipients' addresses for lead generation. Plus, receive comprehensive activation metrics including demographics and social media usage.

(Included in Core Package)

Keshot is committed to providing you a highly effective marketing tool that drives awareness to your brand in a fun and interactive way.

Our packages are customizable. If you have an idea that you have not seen covered in this presentation, contact us- we will work closely with you to provide the exact marketing solutions you need to ensure a successful event.
